

## **Jurerê Internacional® - An open resort that breathes life quality**

Jurerê Internacional has an inovative concept of open resort with many leasure structures and entertainment for locals and visitors: hotels, bars, restaurants, nightclubs, spa, beach clubs, trecking sites, lakes, parks and even Jurerê Sports Center and Jurerê Open Shopping that count on an event schedule for the whole year.

The beach offers programs for all ages: shopping, gastronomy, services as well as a permanent event schedule with parties, cultural events, music festivals and sports.

The beauty of Jurerê Internacional is not only on its landscapes but in the care we have for nature. It is considered to be one of the most conserved beaches in south Brazil and has 100% of waters proper for swimming all year.

Besides being protected by three conservation unities - Carijós, Anhatomirim and Arvoredo reserve - it is managed with respect that have, among other projects, its own system of water treatment and disposal.

## **Jurerê Beach Village**

Jurerê Beach Village is an international standard hotel with excellence services and complete structure for leisure and gastronomy. One of its main differentials - that conquer guests - is the fact that it is located right on the shore in Jurerê Internacional beach. A typical "foot on the sand" hotel. And even better: it is located on a more quiet part of the beach.

It has two pools, fitness center, steam rooms, game rooms, two bars, and two restaurants as well as a convention center.

Another advantage of the place is that apartments count on a complete structure including mini-bar and mini-kitchen with microwave and basic supplies. Perfect for families with kids and babies.

All unities offer an environment with air-conditioning, cable TV and free wireless internet. The balcony is complete with lateral or front view of the ocean or the pretty neighborhood that is known for trees and flowers. Jurerê Beach Village counts on a recreational system in and out of the premises. Highlighting the trapeze classes and diving classes.

## **IL Campanario Villaggio Resort**

IL Campanario Villaggio Resort is one of the most conceptual resorts in Brazil. It is known for many awards such as Excellence Certificate from TripAdvisor 2012, 2013 and 2016. It also has the title of third best resort in Brazil elected in the 2013 Zampo Prize

The decoration is cozy and the architecture reminds of the Italian Riviera. There's an excellent structure with three pools - one is heated, indoor with 25meter lap; another heated pool outdoor - three steam rooms, gym rooms, spa, game rooms, gourmet space, concierge services Chef D'Or, business center, etc. The rooms are cozy and decorated with a provensal feeling.

Gastronomy is an amazing trip through smells and flavours of the world. The menus are a very criterious choice as the best in international cuisine. Authentic and exclusive.
