

Jurerê Sports Center – Arts and Sports Center of Jurerê Internacional®

Jurerê Sports Center – Arts and Sports Center is the place for the sport and art lovers in Jurerê Internacional. It's an area designed for stimulating quality of life, health and fun for the residentes, visitors and tourists. The área – that is about 2.000 m² - is open to public in general and offers classes for people of all ages, in addition to leasing of space for events, leisure and sports.

It has a complete infrastructure to the practice of numerous activities, monitored by qualified professionals. Among the options, we highlight the tennis lessons, scuba diving, artistic gymnastics, combat lessons, Total Barre, Capoeira, martial arts, yoga, swimming lessons, dancing, and others. It attends to about 300 students a month, and it is open throughout the year, moreover as summer camp on school holidays in the beginning and middle of the year.

The sports center is also base for importante companies related to sports and culture. Nowadays, it holds the Integrated Studio Mormaii Fitness, the circus school Circocan, and the dance school Cena 11.

Due to its excellent infrastructure, it has been used as stage of important events, mainly sport-related, as the Guga Kuerten Week, Futevôlei of the Stars, Full Moon Running, Powerman, tennis tournaments, among others. It hosted the Cow Parade and Elephant Parade auctions, and it welcomes corporate events of different areas.

It is also possible to have a great family and friends time, using the pool, sports courts and wide green area available. The place is full of fun with its own various events, as the

Children's Carnival (open to public), aside from private and entities parties. Another attraction is the Elida de Freitas e Castro Druck's library, and the language school CCAA.

The public can also join the frequent courses, workshops, lectures and rehearsals that happen there, a way to share with society the knowledge in the art and sport fields. These activities are promoted by professional acting in the sports center and also by outside guests.

With so many activities, we couldn't forget an excellent gastronomy service provided by O Ponto Restaurant, that works all day long. In the menu you can find homemade food with selected ingredients, served in a super cozy place.
